

**MOUNT A  
SMALL-MEDIUM  
SIZED DOME  
CAMERA &  
DISPLAY**

# BT5962

## CCTV CEILING MOUNT FOR A FLAT SCREEN & DOME CAMERA

The BT5962 is a CCTV ceiling mount designed for a small to medium-sized dome security camera and a small flat screen display. Available with a 1 or 2 metre ceiling drop, the BT5962 features integrated cable management allowing cables to run through the centre of the pole and out through either the top or side of the ceiling mount, ensuring finished installations are neat and tidy. For longer drops, the pole length can be extended with a joiner (BT5924) and additional poles (BT5935) from the System V Range, whilst accessories such as a flat screen can be added with the use of a ø38mm accessory collar (BT5952) and compatible screen mount.

### SPECIFICATION

Recommended screen size	up to 28"
Max. screen load	20kg
Max. camera load	5kg
VESA® screen compatibility	up to 100x100
BT5962-FD100 drop length	1036mm
BT5962-FD200 drop length	2036mm
